

# Air Madagascar WINDSURFchallenge

**12 - 18 September 2006**

Following the success of the two first Windsurf Challenge events, which was held in South Morocco in February and in Sumbawa in May, we decided to keep the adventure alive by offering a new event to conclude 2006.

We will come back in the north of Madagascar, close to Diego Suarez and we will bring together 10 of the top 20 windsurfers in the world:

**Boujmaa Guilloul** (Morocco), **Alex Mussolini** (Spain), **Thomas Traversa** (France), **John Skye** (Great Britain), **Diony Guadagnino** (Venezuela), **Baptiste Gossein** (France), **Fettah Ahlamara** (Morocco), **Xavier Huart** (France), **Eyal Shelef** (Israel) and **Fabrice Beaux** (France).

Featuring a wave riding competition on the reef, the competitors will judge each other in this unique event.

The official prize ceremony will be the 18<sup>th</sup> of September at the hotel La Note Bleue.

The photographer **Jérôme Houyvet** will cover the event.

A video team with **Philippe Prietto** and **Benjamin Saison** is in charge of the DVD. (Distributed first by Wind Magazine in November)

The journalist **Fanny Lestelle** will make a full report for the Wind Magazine published in November and for the international specialized press.

The international TV channel **TV5** will also follow us. Three programmes are still planned for our event.

This event is organized by **Nicolas Martin (Cap Alizé)** and **Baptiste Gossein**, in partnership with Air Madagascar, Neil Pryde, Wind Magazine, North Men, Windsurfjournal, F23.net, Epicar, hôtel Les Cocotiers and hôtel La Note Bleue.

For more information on the event, location and riders visit:
