8 – 15 May 2007

MOROCCO - Essaouira - Moulay Bouzerktoune

-Press release-

Following the success of the four first Windsurf Challenge events, which were held in South Morocco, Indonesia and in Madagascar, we decided to keep the adventure alive by offering a new event to start 2007.

The Windsurf Challenge caravan will stop at Moulay Bouzerktoune, village of fishermen located at 15 miles in the north of Essaouira.

Commonly called "Moulay Bouzerktoune", the spot is the place of the two best Moroccan windsurfers: Boujmaa Guilloul, the Moroccan star and Fettah Ahlamara. Moulay has beautiful surfing waves all the year, and the associations with strong wind make this place one of the best windsurf spots in the world.

Barbara and Fettah will welcome the Windsurf Challenge in their restaurant Dar Lawama, located in Moulay, during the contest.

12 international competitors ranked amongst the world's top windsurfers will be present for the Jet4you.com Windsurf Challenge:

Boujmaa Guilloul (Morocco), **Alex Mussolini** (Spain), **John Skye** (Great Britain), **Baptiste Gossein** (France), **Fettah Ahlamara** (Morocco), **Eyal Shelef** (Israel), **Phil Horrocks** (Great Britain), **Victor Fernandez** (Spain), **Thomas Traversa** (France), **Klaas Voget** (Germany), **Abderazak Labdi** (Morocco) and **Jonas Ceballos** (Spain).

The official prize ceremony will take place the 15th of May at the Sofitel Hotel in Essaouira, our partner, residence of our competitors during the week. During the ceremony, our partnership Halana will propose a Moroccan wine testing.

Our video team, Benjamin Saison, Eric Mingant and Fabrice Beaux will cover the event with Benjamin Thouard, photographer for Wind Magazine and all the press. Our TV partner, Sport+ has planned a 26 minutes program, exclusively dedicated to the Jet4you Windsurf Challenge.

The Jet4you.com Windsurf Challenge is organized by Nicolas Martin (Cap Alizé) and Baptiste Gossein, in partnership with Dakhla-Aventure, Jet4you.com, Accor Ibis, Wind Magazine, Neil Pryde, The Moroccan National Office of Tourism, Halana, Epicar, WindsurfJournal.com, North Men, Buhala Boards and Dar Lawama.
